The EVICR.net - European Vision Institute Clinical Research Network is dedicated to multinational clinical ophthalmic research in Europe. It is a growing network and is a fundamental and useful resource for Industry and Clinical Investigators/Clinical Research Centres.

Aims & Objectives

This Network aims to perform multinational clinical research efficiently and professionally in Europe, following the European and International Directives for Clinical Research (Declaration of Helsinki, ICH GCP Guidelines, EU Directives and local legislations).

Organization & Scope

EVICR.net has a **Steering Committee** and is supported by **Expert Committees** that have a fundamental role in the scientific organization of EVICR.net covering the following areas:

- **Age-Related Macular Degeneration**
- **Retinal Dystrophies**
- **Diabetic Retinopathy & Vascular Diseases**
- **Glaucoma**
- **Anterior Segment**
- **Ocular Surface, Inflammation, Dry Eye & Allergies**

There are also three **Transversal Sections** in the following areas: **Rare Diseases, Medical Devices and Reading Centres.**

CONTACTS

Maria Viegas Nascimento or Rita Fernandes
